Sir/Madam,

REF: PETITION FOR ACQUIRING RECENT INFORMATION OF FORMER NEPALESE CITIZEN WORKERS FOR PAY OUTSTANDING SALARY BALANCE

Based on above matter, we hereby officially request for the recent information of our former Indonesian workers to the amount of 64 people (refer attachment) who worked with us since 2014. For your information, we have two different entities under Venture Group named Technocom Systems Sdn Bhd & Pintarmas Sdn Bhd.

1. Throughout the Covid-19 Pandemic period, workers have returned to their hometowns on August 31, 2020. After the Covid-19 Pandemic began to subside, our workers tried to return to Malaysia but failed because most countries including Malaysia enforce restrictions at every entrance following the SOP set by the Malaysian Government as a precautionary measure to avoid transmission of the disease. In addition, these workers still have outstanding salaries that have not been received as we have been unable to contact them. However, the Company has tried to contact the workers using the last phone number registered with the Company when they were still working but, failed because the phone number was inactive. The Company also tried to contact workers through friends and acquaintances who knew them. Unfortunately, our efforts failed.

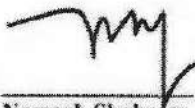

2. Therefore, we would like to request your generosity to assist us in acquiring the recent information of the workers involved as in the attachment. By acquiring this information, the Company can pay the salary balance to the workers. The information that the Company needs for each worker is as follows:

1. Recent Worker Passport Number
2. Recent Worker Phone Number
3. Recent Worker Address
4. Individual Account Bank Number (Worker)

Your cooperation is highly appreciated with thanks.

Yours truthfully,

Technocom Systems Sdn Bhd
Pintarmas Sdn Bhd
